Abrasive Paper for Hardwoods

- Suitable for all Hardwoods.
- "F" (270G/M²) weight backing paper also suitable for machine use.
- Electro coated, resin/resin bonded Aluminium Oxide grit.
- Close coated abrasive for maximum material removal.
- Will now fit ORSY dispenser system Art. No: 0956 109 0

An extra heavy duty paper backed abrasive designed to remove maximum material with minimal wear rates. The resin/resin bonded Aluminium Oxide abrasive produces a stiff, yet flexible product suitable for machine or hand use. Owing to the aggressive nature of the Aluminium Oxide grit this paper is not recommended for surface finishing, use Art. No: 0582 415 ...
