

ROST OFF

High-performance rust dissolving agent.

▶ Strong capillary action.

Your advantage:

- Optimal creep properties guarantee outstanding penetration of rust, i.e. even stubborn corroded screw connections can be loosened.

▶ Optimal rust dissolving properties.

Your advantage:

- Penetrates under the rust and loosens seized screws.

▶ Good water displacement.

Your advantage:

- Lasting protection against further corrosion.

▶ Free from resins and acids.

▶ Silicone-free.

▶ Compatible with rubber and plastics.

Description	Contents	Art. No.	Pack/Qty.
Can	300ml	0890 2	1/24
Container	5L	0890 3	1
Tap for 5L container	-	0891 302 01	1
Pump Spray	1000ml	0891 503	1

Application:

Spray the surface to be treated and allow to take effect briefly. In case of stubborn rusted connections repeat the application and if required, allow more reaction time.

Applications:

Loosening of corroded and oxidised screw connections on automobiles, trucks or construction equipment, aggregates and other equipment.

Technical Data:

Colour tint	silver
Base	mineral oil
Colour	light-yellow transparent
Density at 20°C (active ingredient)	7.78g/cm ³
Temperature range	-10°C to +140°C
Flame point of active ingredient	200°C
Base oil viscosity at 40°C	16.5mm ² /s

With this information we want to advise you to the best of our knowledge based on our tests and experience. Preliminary testing required! For further information see the technical data leaflet.
