

BRAKE CLEANER

For the safe and efficient removal of hazardous dust and contamination from vehicle brakes and clutches.

Application:

Spray parts until dirt and grease have been washed away. If needed wipe with a clean cloth.

Areas of Use:

Also ideally suited as a solvent, degreaser and cleaner.

- ▶ CO2 propelled
Your advantages:
 - Suppresses brake dust unlike other propellants.
 - Safer, non-flammable propellant.
- ▶ CFC free
Your advantage:
 - A contribution to a better environment.
- ▶ Powerful jet
Your advantage:
 - Strong jet blasts away contamination therefore saving time.
- ▶ Superb cleaning action
Your advantage:
 - Less product needed saving money.
- ▶ UK's No. 1 selling Brake Cleaner backed by product liability insurance
Your advantage:
 - Peace of mind.
- ▶ Posters and Stickers available
Your advantage:
 - Profit Centre creation without customer queries.
