

POWERFUL MULTI-PURPOSE CLEANER

High-performance parts cleaner and degreaser for maintenance, repairs and installation.

Areas of application:

Fast and effective multi-purpose cleaner for engine and gearbox housings, non-cured sealants, adhesives and enamels, tools, aggregates, vehicle and clutch components as well as disc and drum brakes. Also suitable as preliminary cleaner for bonding and small touch-up painting.

Instructions for use:

Spray onto the surface to be cleaned. Allow to react, depending on the extent of contamination. To finish, rinse away the dirt with more spray or rub off with a cloth.

Note:

Check rubber, plastic or paintwork for material compatibility in an inconspicuous place prior to use. The product may be aggressive to enamels.

Contents	Art. No.	P. Qty.
600 ml	0890 108 8	1/24

Specifications:

Chemical base	Aliphatics
Colour	transparent
Density	0.781 g/cm ³ (20°C)
Flame point	< 21°C
VbF* class	A I

▶ Extremely high cleaning performance.

Your advantages:

- Quick and effective cleaning.
- Pre-cleaner and degreaser for painting and bonding.
- Absorbs and flushes out oily, greasy, sooty and gummed up contaminations.

▶ Multi-functional.

Your advantages:

- One product for several areas of application.
- Reduced costs.
- Improved inventory capacity.
- Waste reduction.

▶ Very good aeration properties.

Your advantages:

- No corrosion due to quick and residue-free aeration.
- No secondary treatment required.

▶ Spray head with direct spray jet.

Your advantages:

- Active ingredient penetrates closest tolerances and promotes cleaning performance.
- High spraying rate with outstanding flushing effect.

▶ AOX and silicone free.
